Wine Tour to Thank Plant Out Volunteers

Plant Out organisers at Project Platypus are encouraging volunteers to make a weekend of the Plant Outs by teaming a days planting with a day touring the region. To kick things off, Project Platypus has teamed up with local business Grampians Regional Wine Tours to offer volunteers participating in the Great Western Plant Out a discounted \$60 half day wine tour taking in three Great Western wineries. The tour will take in Grampians Estate, Seppelt and Bests Wineries.

Events Coordinator at Project Platypus Bronwyn Bant said the Great Western Plant Out takes place on Sunday the 1st of July. "Great Western is renowned for its wineries, so what better way to thank volunteers for their tree planting efforts, than to offer them the chance to sample the regions wines" she said. The discounted wine tour is available to registered plant out volunteers only, and will be touring wineries on Saturday June 30.

For further information, and to register, visit the Project Platypus website www.platypus.org.au, or call Project Platypus on 5358 4410.
